

REMARKS

The last Office Action has been carefully considered.

It is noted that the Examiner required restriction of the present application to one of two inventions, namely either to an adhesive bond, or to a method of producing an adhesive bond.

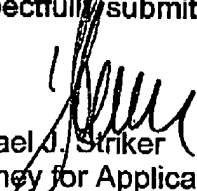

With the present communication applicant has elected for further prosecution the invention related to a method of producing an adhesive bond.

Consideration and allowance of the present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be

helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-549-4700).

Respectfully submitted,
